

Who We Are

At Penn National Insurance, we're on a mission to help people feel secure and make life better when bad things happen.

For over 107 years, we've been a trusted partner to individuals, families and businesses because we are a mutual insurance company where service and support for our policyholders are at the heart of everything we do.

In 2012, we affiliated with Wisconsin-based, Partners Mutual Insurance Company. As one company, we bring the personal attention and local focus of a regional carrier, along with the quality of products and services of national carriers.

For **Personal Auto**, we offer great additional coverages, including Roadside Assistance, New Car Replacement and Auto Loan/Lease. Discounts are available when the personal auto is combined with a home. Safe driver and driver training discounts are available.

For **Homeowners**, we offer valuable additional coverages, including Underground Utility, Loss Assessment and Identity Theft. Discounts are available on the home when a Penn National personal auto policy is active. Age of roof discounts, retired day-time occupancy and loss free discounts are available.

For **Dwelling Fire**, we make insuring your owned residential rental properties easy with comprehensive coverage for the dwelling, contents and liability.

Our **Personal Umbrella** product offers coverage over a broader range of exposures. Depending on eligibility, our personal umbrella coverage includes additional protection for customers with:

- Youthful drivers
- Properties with pools
- Many types of private passenger automobiles
- Recreational vehicles
- Motorcycles
- Boats
